Question: What will happen in this code?

11. when green flag clicked repeat 3 play sound "Meow" wait 1 seconds end say "Done!" How many times will the "Meow" sound play, and what will the sprite say at the end?

12. Write the type of Alignment the text belongs to, and also write its short cut key in the box below

Video provides a powerful way to help you prove your point. When you click Online Video, you can paste in the embed code for the video you want to add. You can also type a keyword to search online for the video that best fits your document. To make your document look professionally produced, Word provides header, footer, cover page, and text box designs that complement each other. For example, you can add a matching cover page, header, and sidebar. Click Insert and then choose the elements you want from the different galleries.
